## Welcome to our Facilities

We hope you find our Myers Hall accommodating to you needs. The congregation maintains these facilities with a limited budget so it will be greatly appreciated if the condition and cleanliness of the area after your use are much like you found them. In the spirit of good stewardship, here is a list of things we ask you to do in using the facilities:

1. Alcoholic beverages and recreational drugs are not permitted on the grounds. The use of tobacco products is allowed only in the designated areas.
2. Please feel free to arrange tables and chairs to accommodate your needs. To save on the wear from setting up and tearing them down, we ask that they remain where you used them. However do not have furniture placed in front of doors where they may limit access.
3. If you are using the kitchen area...  
Wash all utensils, pots, and dishes and returned to their place  
Clean the counter tops  
Turn off all burners on the gas stove and clean off any spills or splatters  
Take all of your items in the refrigerator or freezer with you  
If linen dish cloths and/or towels are used, please launder them and returned in timely fashion
4. Report any equipment that did not function properly and any damage done below. You will be expected to pay for damage caused during your use of the facility.
5. The following fees are charged to help offset the cost of maintaining our facilities.
